Est. Unexpended balance of EIA funds	–	\$ 47,291
Explanation of why all of the funds have not been expended.	The carryover (unexpended) EIA/LEP funds from 2012-13 were due to a fluctuation in the LEP school population, differentiation of participation in programs and staff transitions. The staff transitions left positions vacant for intermittent time periods. Any balance from current year will be spent on supplemental English learner and economically disadvantaged student services in the 2013-14 school year.
