

**McSwain Community Parent Club  
Community Service  
7<sup>th</sup> Grade Scholarship Program Application**

In an effort to support our students in the area of community service activities, the McSwain Community Parent Club is offering the Community Service Scholarship Program. The program is established to encourage our young leaders to participate in their school, community, county and the world.

Community service requirements are activities that are not self-serving such as receiving payment or a grade. The activities can be conducted within an extracurricular group, family or individual activities and beneficial to a person/s, the school, environment, etc.

Examples of activities include, but are not limited to, are donating hours at the homeless shelter, visits to the convalescent home, planting donated flowers or plants at the school, assisting a person with needs, helping at Parent Club events.
